Gustavus T. Kirby, commission chairman, wrote that the county-wide importance of the conversion of the old James Butler estate into an office center transcended local considerations. He said there was no reason why the project should not be a "beneficial and harmonious" neighbor.

The development should be planned as a unit, even though divided by a town boundary, Mr. Kirby declared. He also advocated road changes.

'Flying Saucers' Sighted

MIDDLETOWN, Pa., June 23 (UP)—Several "round and silver flying saucers" and "cigar-shaped" objects have been reported flying high over Jersey Shore, Pa., an Air Force officer said today. Capt. Arthur S. Lloyd of the Olmsted Air Force Base here said Army Capt. Harold Hermann and his wife reported seeing a "round and silver saucer - like object flying fast across the heavens about 6 P. M. last Thursday." Two other persons saw flying objects.
